RMAE Foundation is a 501(c)(3) committed to the financial stability of our school

Dear RMAE Community,

Each day at Rocky Mountain Academy, we bear witness to the impact a single act can have on our entire school community. Nothing could be truer this year for our Annual Giving Campaign. ONE contribution has the power to impact RMAE students, teachers, and staff as we work to provide a sustainable future for our school. **Your ONE donation shows your commitment to providing an excellent education for your child/children and demonstrates your support of our school mission** - to inspire each student to pursue personal and academic excellence through an intellectually challenging Core Knowledge curriculum within a nurturing environment.

This year, due to our lower enrollment, budget shortfalls necessitate taking funds from reserves. Therefore, funds raised through our Annual Giving Campaign will go to replenish the school's reserves, to enhance K-8 programming beyond what the general fund budget can afford, and to support our marketing efforts with the objective of increasing our enrollment.

Your family is a vital part of our RMAE community and we encourage you to give. Given our low enrollment and subsequent budget constraints, our goal is to raise \$45,000 and **we are asking every family to give \$500**. That said, we completely understand if this amount is not feasible and encourage you to give what you can. Whether you give \$50, \$500, or \$5,000, together, our individual contributions can make a powerful impact on our school.

You can donate online at rmae.org/donate where we are accepting one-time or recurring monthly donations. Alternatively, you can print the attached donation form and mail or drop-off your contribution to the front office.

We thank you in advance for your ONE contribution and look forward to a wonderful school year for our children!

Respectfully,
Your RMAE Foundation Board
