

Giving Apple 2023-2024

Hello Families!

In an effort to help our amazing teachers get their classrooms ready for the school year and set them up for a successful year, the PTO facilitates the Giving Apple event to ask families to purchase specific items that the teachers would love to have available to them.

We've been busy collecting their lists and compiling them for you at the following link:

[LINK](#)

The lists are organized by the following tabs in the linked spreadsheet: (1) Primary teachers (K-8), (2) Specials teachers, (3) Special Education teachers (SPED, language, OT), and (4) Facilities management.

Please note the following:

- All items in the spreadsheet are hyperlinked to the relevant website • Important notes are listed for given items, but if you still have a question, please email pto@rmae.org rather than the teacher
- If you'd like to purchase a given item, add your name and email address to that row - it will serve as your commitment to purchase that item.
- Please take a moment to view the entire document so we also take care of our specials teachers, SPED teachers, and facilities management
- **Please have items delivered to your personal address (not the school) unless specified otherwise in the notes -**
- **Make sure your items are labeled** to ensure they reach the correct teacher.
- Feel free to send in a card to your teacher, they would certainly love that!
- Deliver the labeled item to the school office between August 31st and September 6th. The school will hold an assembly on Friday of that week to distribute the items to the teachers and staff.

Thank you so much for your participation in this special event! Let's show our teachers how much we love and support them!
