

ENRICHMENT PROGRAMS AT ROCKY MOUNTAIN ACADEMY

CLASS DETAILS:

Class Code: RMAE006
Class Day: TUESDAYS
Class Times: 3:15-4:15PM
Dates: 1/30-3/6/2018
Skip Dates: NONE
Grades: K-5
Price: \$94*

PROGRAM DESCRIPTION:

Coming Winter 2018:

NASA ACADEMY OF FUTURE SPACE EXPLORERS

Developed in partnership with NASA, this engaging enrichment program is truly out of this world! Investigate asteroids, comets, meteors and other forms of space phenomena! Learn to spot the difference between the lights of airplanes and the lights of satellites. Discover how stars and planets are formed -- and explore how galaxies come together within our universe! Build your own model rocket to take home, and watch in awe as we send a rocket soaring through the sky! Try your hand at some of the technologies astronauts use while living in space, and learn about innovations in space exploration! Students will explore these concepts and more in this exciting program that will take us to infinity and beyond ... without even leaving the classroom!

*Classes are held on site at the school -- no transportation needed!
Please Visit the FAQ on our website for more information!

REGISTRATION INFORMATION:

Please Register Online at www.colorado.madscience.org

1. Visit "After School Enrichment" on our home page
2. Select "The Schedule" and search for the name of your child's school
3. Click "Select" next to the program you would like to register for
4. Create a parent account and register online! It's easy and takes about 5 minutes!
