5:02 p Call to Order: Welcome (Erin)

5:04 p Approval of April Meeting Minutes [April Meeting Minutes](#)

- Aja made a motion to approve, Renee Renken second. Minutes approved.

5:05-5:15 p Principal's Report (Dr. Hudson)

- Science Innovation Day will be Monday, 5/22 and all grades will participate.
- MAP testing started last week and will continue this week.
- Todd Wellman is back part time.
- Field Day for the Elementary students will be Friday unless the weather is too bad, in which case there will be a make up day. Middle school Field Day will be next Thursday.
- 5/23 is the 8th Grade Continuation Ceremony. This will be their final event at RMAE.
- 5th and 6th Grade have a celebration breakfast to welcome the 5th graders into middle school. The 5th graders have an opportunity to meet with the 6th grade teachers to ask them questions.

5:15-5:20 p Treasurer (Kyle): 2023-24 Budget

- Dr. Hudson brought up trying to make a shift towards field trips that would come to the school since getting buses to drive students is so difficult. The cost is still about the same so she was wondering if the PTO might help pay for them. It would be beneficial to the students as well as increase visibility for the PTO.
- Erin made a motion to approve the over cost for the signs (\$5,700), Aja seconded, approved.
- It is the 75th anniversary of Warren Miller and they may not be doing the film the same way this year. This has been our biggest fundraiser so we will have to brainstorm on other ideas if it doesn't happen.
- Aja made a motion to carry the budget forward from this year to next. All in favor, motion approved. ([May 2023 PTO Budget](#))

5:20-5:30 p PTO Board Elections
